CONTENT DECLARATION concerning to:

Commission decision 97/129/EC of 28 January 1997 establishing the identification system for packaging materials pursuant to European Parliament and Council Directive 94/62/EC on packaging and packaging waste

Product:

D5399

At the date of issue of this declaration the use of an established identification system for packaging materials under Commission Decision 97/129/EC is not mandatory, the use of the numbering and abbreviations of the identification system is voluntary.

A decision whether to introduce it on a binding basis may be adopted later.

If such a decision is made in the future, Nitto Belgium NV will take appropriate measures to comply with the applicable regulations.

We understand that, in the meantime, you might want to introduce the identification system on a voluntary basis in your company.

For the purpose of the identification according to the concerned identification system we can inform you the following breakdown details*:

This product contains:

PAK Adhesive: 78 g/m²

PET Carrier: 17 g/m²

Cellulose Liner: 65 g/m²

*The breakdown details should not be used for specification purposes.
